

Lakeside open doors on the new Corporate Offices

On September 5, Lakeside Logistics opened the doors on our new Corporate Offices at 1185A North Service Road in Oakville, ON, Canada.

With 10,000 sq/ft of office space, our growing customer base can be easily accommodated. There is also 15,000 sq/ft of 24 ft clear warehouse space.

Our new environment will more truly reflect the professional commitment of our people in implementing supply chain and transportation management for our customers.
