

Lakeside Logistics wins Corporate Community Spirit Award at CIBC Run for the Cure!

For the second year in a row, the team at Lakeside Logistics has earned the Corporate Community Spirit Award in honor of raising over \$18,955 for the Canadian Breast Cancer Foundation.

On Sunday, October 2nd, the Lakeside team participated in the Hamilton/Burlington/Oakville chapter of the Run that raised over \$30 million nationally for breast cancer research. All year long, the Lakeside team has Spirit Day fundraisers to raise money for the team and have fun too! Lakeside Logistics President and CEO Jeff Moore is extremely proud of the team at Lakeside and supports their efforts with a corporate gift matching program that took the team over the top. Thanks to all our sponsors and everyone who supported the Lakeside team for helping us reach our goal! Together we can make a real and meaningful difference in the lives of people affected by breast cancer.
